

what are my
Patient Benefits

 **Access multiple accounts -**
patient, spouse, children, aging
parents - all from one, convenient
location

 **Manage their medicine cabinet -**
organize their prescriptions with
customized names, photos of the
med, and alerts that remind them
when to take each medication

 **Control their busy schedule -**
organize appointments and
receive appointment reminders

 **Obtain their lab results** and have
access to their Personal Health
Record

Healow Instruction Guide

**Health and Online Wellness
Smart Phone Application**

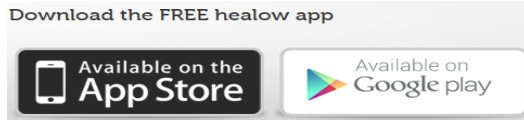

PLEASE NOTE:

**An active Patient Portal
account is required to use
the Healow Application**

**Orland Primary Care Specialists
16660 S. 107th Avenue
Orland Park, IL 60467
708-403-8500**

STEP 1

- Download the free Healow Application using Apple store or Google play

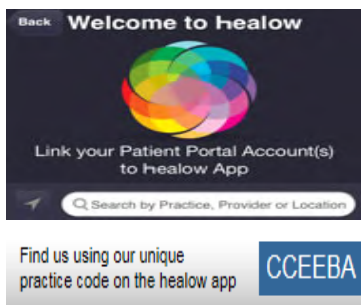

STEP 2

- To open the Healow application press the Healow icon on your smart phone (pictured below)

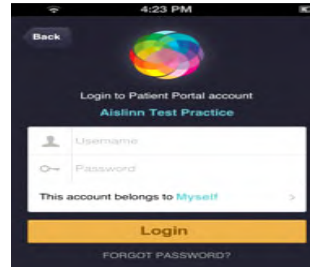

STEP 3

- On the Welcome to Healow screen, type in Orland Primary Care Specialists and then press search
- Or search for our practice using the unique practice code: CCEEBA

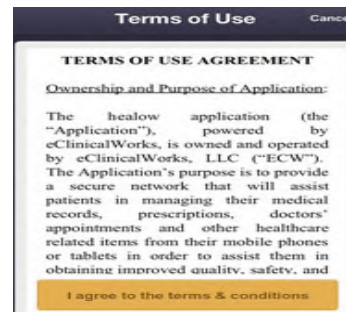

STEP 4

- Enter your Patient Portal username and password then press login

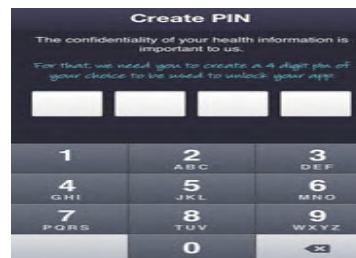

STEP 5

- Read the consent form (Terms of Use Agreement), then press the button saying "I agree to the terms and conditions"

STEP 6

- Select a four-digit PIN, that will be used to log in to Healow each time you open the application

Simplify Your Life

Access multiple accounts - your own and your family's, from a single location

- One username and one password is all you need to obtain access to all of your provider accounts for yourself and your dependants.
- Also, with their consent, you can even manage the accounts of your spouse or aging parents.
- To link another patient click on the plus sign (+) and go through steps 3-5 to link other patients accounts.
